TA – COMMENTS – CAGIN KESKIN

Please write comments below considering qualities like encouraging students to participate actively in class, using time efficiently, good use of examples, available and able to answer questions.

- Cagin was cooperative and always ready to help out whenever reached. He was well equipped with all the concepts and tried his best to transfer to the students.
- Good
- The TA is very helpful and always listens to students. He even tried to explain all over again some problems that appeared a long time ago to help us prepare for the exam.
- excellent skills of teaching.
- His explanations of topics were clear and helpful. But he spoke quite fast.
- It was a good course
- He was able to clarify the issues less understood in class. Kept the time quite efficiently and was always available to assist the students
